

Avocado

Group 5:

Andrew Mitchell, Dakota McKay,
Daniel Wu, Erfan Jamilifar

Objective, Scope, and Motivation

•Objective

- Help post-secondary students speed up their rate of debt payment through gamification and friendly competition.

•Scope

- Canadian post-secondary graduates.

•Motivation

- Paying debt is hard and boring, Avocado makes it fun, to help you stay on track.
- Paying debt faster saves money.

Open Datasets Used

- Characteristics and median employment income of post-secondary graduates two years after graduation, by educational qualification and field of study, 2010 to 2014 cohorts
